Dear Admiral Hillenkoetter:

I am enclosing for your personal information and use copies of the revised Department of State policy statements on Egypt, India and Panama. In accordance with previous practice, we would appreciate it if you would have returned to us the former statements on these three countries which are in your possession.

As you know the policy statements are periodically prepared as an informal working document designed primarily for the information and guidance of our Chiefs of Mission in the field. We have recently revised to some extent the scope and form of these statements, eliminating the sections of background material on the countries concerned, and are just now beginning to complete the new statements.

Subsequent statements and future revisions will be forwarded to you as they are prepared.

Sincerely yours,

  
Carlisle H. Humelsine  
Director  
Executive Secretariat
